A Message from Headteacher

Dear Parents and Carers,

It has been another busy couple of weeks at school, with lots happening both in and out of the classroom.

Since the last newsletter, we have focused on our school values of Curiosity and Responsibility. Through assemblies and classroom discussions, the children have explored what these values look like in everyday school life, asking thoughtful questions and taking responsibility for their actions, belongings and learning.

We have also taken some exciting first steps on our OPAL (Outdoor Play and Learning) journey. Miss La Veys recently shared an update with the children during assembly, and we have launched our OPAL Bingo Competition. Each class is competing to collect as many resources as possible, with a special reward waiting for the winning class. After half term, children will also be asked to bring a pair of named wellies into school so that we can continue to make full use of our field and outdoor spaces, whatever the weather.

As part of our commitment to ensuring positive experiences for all children during break and lunchtime, our lunchtime Play Team recently received *Positive Playtime* training from the Essex Child and Family Wellbeing Service. We are looking forward to seeing the impact of this training as we continue to develop high-quality play opportunities across the school.

Over the past fortnight, I have worked alongside our English and Maths Leads to carry out a scrutiny of children's work across the school. We reviewed learning, progress and understanding in both subjects and were particularly impressed with the children's presentation and attitude to learning. The pride that children are taking in their work is wonderful to see and is helping them to grow, shine and succeed.

A big thank you goes to our Year 1 team and the parents who attended last week's Phonics Workshop. It was a really informative session and provided a valuable opportunity for parents to see how a Year 1 phonics lesson is taught, as well as learn more about how they can support reading and phonics development at home.

Our Head Pupil candidates have waited patiently while votes were cast, and I am delighted to announce that Sienna and Jensen have been elected as our Head Pupils for this academic year. Congratulations to both of them on their success. I would also like to recognise all of the children who put themselves forward for the role. Speaking in front of their peers and sharing their ideas took a great deal of courage, and every candidate should be extremely proud of themselves.

Finally, congratulations to Suilven, who won last week's Attendance Cake with an impressive class attendance of 98%. Well done, Suilven! Strong attendance helps children make the most of every learning opportunity, and we are grateful for the support families provide in ensuring children attend school regularly.

Thank you, as always, for your continued support. I wish you all a wonderful week ahead.

What is a Young Carer?

A Young Carer is a child or young person aged under 18 years who provide regular and ongoing care to another person in their household.

A Young Carer may be looking after a family member with a long term chronic illness, mental health condition or addiction.

Your child may be a Young Carer if they:

- Care for a family member because of illness, disability or old age
- Help someone with bathing / dressing, going to the toilet or getting out of bed
- Need to help with the cooking for the family
- Help to organise the household budget
- Help with the housework, washing and tidying
- Help anyone to take their medication regularly
- Go shopping, collect prescriptions or benefits on behalf of a family member
- Look after a sibling by taking them to school, extra emotional / play support at home
- Translate or interpret for someone at home
- Support someone emotionally

At Silver End Academy, we want to ensure that all our students are offered full access to all the school provides and are given every opportunity to succeed. We understand the impact being a Young Carer can potentially have on a young person's education and wider life.

We can support them by:

- Making staff aware of students' specific needs, for instance, needing additional time or support in order to complete homework
- Offering the opportunity to have pastoral support if required.
- Facilitating access to external support via services such as those provided by: the Mental Health Support Team and Essex Child and Family Wellbeing Service

If you think your child is a Young Carer, please let us know - email Mrs Hatchman at AlysonHatchman@Inspiresmat.co.uk to arrange a quick chat.

Any information you give will be treated sensitively and will not be shared without your knowledge.

Parking Reminder

Please be careful when parking your car at school drop off and pick up. We have been made aware that cars are blocking residents driveways.

Please be considerate when parking .

If you see an incident please report it to: https://north.parkingpartnership.org/enforcement-requests/

North Essex Parking Partnership will respond to every report and the more reports they get the better informed they are on how they can support the local area and the school improve

Police dogs—our school premises

As part of our ongoing commitment to support our community, we are proud to let parents know that our local police dog handlers will be using the school premises (out of hours) to train their dogs. This will provide an extra level of security to the school which is good.

Smart Watches

Please be reminded that children should not wear smart watches to school. Devices with messaging, games, internet access, camera, or recording functions can be distracting and raise safeguarding concerns. If your child requires a watch, please ensure it is a simple analogue or digital watch. Thank you for your support as we work together.

Year 2 Parent Reading Invitation

We would love to invite parents into the classroom to share a text with your child.

This is a wonderful opportunity to spend some special reading time together, while seeing how we are learning in Year 2 to understand a text and answer questions about what we have read.

After reading, we will come back together as a class and answer some questions about the text, sharing our ideas and understanding.

This will be on Monday 19th October at 2:40pm.

We hope you can join us for this lovely opportunity to see your child's learning in action and enjoy a text together!

OUR SCHOOL NOW HAS AN ANAPHYLAXIS KITT

We are pleased to let parents and carers know that our school now has an Anaphylaxis Kitt supplied by Kitt Medical on site.

WHAT IS IT?

The Anaphylaxis Kitt comes with **four adrenaline auto-injectors** and clear instructions for use in a medical emergency, alongside **anaphylaxis awareness training** for staff.

Adrenaline is the **first-line treatment** for severe allergic reactions (anaphylaxis) and can be life-saving when given promptly.

WHY DOES THE SCHOOL HAVE ONE?

- Severe allergic reactions can occur suddenly and unexpectedly.
- Not everyone who experiences anaphylaxis has a known allergy.

WHO CAN THE KITT BE USED FOR?

Any pupil, staff member or visitor on the school site experiencing a suspected anaphylactic reaction. Including individuals without a diagnosed allergy.

IMPORTANT INFORMATION FOR PARENTS & CARERS

If your child has a diagnosed allergy:

- Please continue to provide their prescribed adrenaline auto-injectors.
- Inform the school of any changes to medical needs.
- The school Anaphylaxis Kitt does not replace a child's own medication.

OPAL Update

Wellies Needed by Tuesday 3rd November!

As part of our preparations for OPAL (Outdoor Play and Learning), we are asking that all children bring a named pair of wellington boots into school by Tuesday 3rd November.

From after half term, we will continue to use the school field throughout the year, including during the wetter and muddier months.

Please note:

- Wellies must be clearly labelled with your child's name.
- They will 'remain in school permanently' as their school pair and will not be sent home.
- Wellies do not need to be new – second-hand pairs are absolutely fine.
- Children without wellies will not be able to access the field when the ground is wet or muddy.

Do you have any spare wellies?

If you have any unwanted or outgrown wellies at home, we would be extremely grateful for donations of any size. These will help us ensure that every child has the opportunity to enjoy outdoor play.

Thank you for your continued support as we develop OPAL at Silver End

Head Lice is not nice'

We have had a few reported cases of headlice in school recently.

We kindly ask that you check your child's hair regularly and treat if necessary, to help prevent further spread.

Head lice are a common occurrence in school settings and nothing to be alarmed about. With everyone's support, we can manage this quickly and effectively.

Thank you for your cooperation.

School Car Park

We kindly remind all families that the staff car park is not to be used for drop-off or pick-up at any time, including during Breakfast Club and After School Clubs.
