A Message from Head of School

Fostering British Values Through Our School’s Core Values

At Silver End Academy, we are committed to nurturing students who embody the very best of British values, while also upholding the core values that guide our school community: curiosity, kindness, respect, self-worth, responsibility, honesty, and perseverance. These values align closely with the British values of democracy, the rule of law, individual liberty, mutual respect, and tolerance.

Through curiosity, our students are encouraged to ask questions, explore new ideas, and engage with the world around them in ways that promote understanding and open-mindedness. This sense of curiosity supports their ability to appreciate different perspectives, fostering tolerance and respect for others’ beliefs and backgrounds.

Kindness and respect go hand in hand with our commitment to mutual respect and democracy. By being kind and respectful to others, our students learn the importance of listening, valuing others’ opinions, and working collaboratively. These qualities help to create a welcoming environment where everyone is treated with dignity.

Our focus on self-worth empowers students to feel confident in their own abilities and understand their responsibilities within a community. This, in turn, promotes individual liberty and encourages students to make thoughtful, informed choices in their lives.

Honesty is central to creating a trustworthy community, where the rule of law is respected and integrity is valued. By encouraging honesty in all interactions, we ensure our students understand the importance of fairness and truth in their daily lives.

Finally, perseverance is a key value in facing challenges and upholding the principles of responsibility and democracy. Our students learn that persistence in the face of adversity is vital, not only for personal growth but also for contributing to a just and equitable society.

Over the coming weeks, the school council and other groups of students are going to aid me in exploring British values through assemblies and discussions. These interactions will be key in further developing our school ethos—the school council had many strong opinions on this when we met this week... Watch this space for updates.

As we continue to weave these values into everything we do at Silver End Academy, we are confident that our students are being equipped not only to be successful individuals but also responsible citizens who respect and promote the values that make our society strong.

NSPCC Number Day

Recipe challenge

This year's NSPCC Number day challenge is to choose a recipe, follow and create what you choose. Then take a picture of your recipe and what you create.

Could you copy out or write your own version of the recipe?

Send it to your teacher via class dojo.

As a class you can then vote for a class winner to be sent to Mrs Laughlin.

We will then have a Year group winner for the most creative and interesting recipe. There is a recipe attached you could try.

Have fun! Entries need to be returned to school on **Monday 24th February**

Stanley Cups

Much like many children across the globe, our Silver End students seem to love a Stanley Cup (as do the staff)! We know that many children asked for them for Christmas so we do not want to stop them coming in. However, as with any personal items being brought into school, staff cannot be held responsible for them. Please consider this when purchasing waterbottles or other equipment for school such as school bags and coats. We have our own water bottles available from the school office. In addition we can recommend good brands for good leak-proof waterbottles if requested.

Toys in school

Children love to bring things in from home to talk to their friends about. Some teachers hold regular show and tell sessions in class as they are a fantastic opportunity for children to develop their oracy skills. Please ensure that that toys or other items of interest are only brought in for show and tell. This also goes for items being brought in to play with at break and lunch. These are often very special to children and we'd hate for them to be upset if they are lost or broken.

Fidget toys

Mrs Gigg has a wonderful selection of fidget toys to help children to focus on their learning. Please note that these should be the only toys being played with. We have specially selected them to ensure that children's sensory needs are met, while not distracting those around them. Please do not send fidget toys in from home.

Lost Property

We have accumulated a lot of unnamed lost property over the autumn term.

If you are missing any items please feel free to come to the office and have a look.

Please remember to name all School uniform and P.E kit.

We have created a pantry at school to help local families. If you would like to donate any non perishable items, please leave at the school office. The Pantry will be open for browsing at the below times. We are well stocked so do please take what you need.

NHS Pharmacy First Service

Did you know that the NHS Pharmacy First Service enables children and adults to get convenient access to healthcare advice and treatment where appropriate, for seven common conditions without the potential delay of having to wait for a GP appointment? Accessing the service may mean that can help children feel better and back to school as quickly as possible, as well as supporting parents/carers to also get better if they are unwell with one of the conditions covered under the service.

There is no need to make an appointment; parents or carers can pop into their local Boots pharmacy with their child and ask for help under the service.

Support for the following conditions can be accessed under the service, free of charge (unless NHS prescription charges apply):

<u>Common condition</u>	<u>Patient eligibility</u>
Earache	1 to 17 years
Impetigo	1 year and over
Infected insect bites and stings	1 year and over
Sore throats	5 years and over

The '48 hour rule'

Please be reminded it is recommended that any child with diarrhoea and/or vomiting symptoms must stay away from the school or early years setting until they have been free of symptoms for **48 hours** (the '48 hour rule') and feel well enough to return.

Head Lice

Recently, cases of head lice have been identified across the school and we wanted to make sure you were kept informed.

Whilst lice are nothing more than a nuisance, it is important that children are checked on a weekly basis so that any head lice can be dealt with quickly and before they are allowed to spread. As there has been an outbreak, we suggest that you check your child's head as soon as possible to keep head lice outbreaks to a minimum.
